

Toowoomba Portable Toilets has changed its name to Quipco

Quipco remains the regions' leading provider of equipment hire, commercial cleaning and liquid waste solutions

9 June 2022

Toowoomba Portable Toilets has changed its name to Quipco to better reflect its broader service offering and ensure that its brand aligns with the quality of service we deliver to our customers.

Over the years, we have been known by many names, including TPT Hire, Dummies with a Difference, Site Services Australia, Custom Services and of course, Toowoomba Portable Toilets. Our service offering has broadened over time to include a wide range of additional services and we decided that our name and branding needed a makeover.

There is no change to our people, ABN, accounts, phone numbers or the way our customers, suppliers, partners, or other parties interact with us.

Our new name, Quipco, pays respect to our proud history as an equipment hire company (Quipco is a shortened version of eQUIPMENT COmpany), whilst also reflecting our expansion over time into commercial cleaning and liquid waste services.

Providing builders, councils, event organisers and individuals with high quality portable toilets and showers backed by industry leading service will remain a core focus for us and we will retain the largest and best portable toilet and shower capacity in Toowoomba and surrounding regions.

We'll continue to provide commercial cleaning services, including end-of-build cleans, event cleaning, maintenance cleaning and other commercial cleaning services across the region. Liquid waste removal also remains a core service offering. We have a fleet of trucks equipped to remove and dispose of waste from portable toilets, septic tanks, grease traps or other liquid waste storage.

We provide services to customers supporting construction, events, infrastructure and maintenance projects in Toowoomba and the surrounding regions. Our customers vary greatly, from individuals and small local builders through to national construction companies and regional councils. Our customers have always been, and will remain, our highest priority; our focus on customer service hasn't changed, just our name.

Quipco is still locally owned and based in Toowoomba with the same great team. We love the region and our local community and remain committed to serving Toowoomba and the surrounding regions, providing the same exceptional service we're known for.

Please visit our new website at www.quipco.com.au or contact us today at info@quipco.com.au or 1300 333 100 if you have any questions or if we can help with your equipment hire, commercial cleaning or liquid waste requirements.
